 - Next Fiscal Year (FY21): 2.5% increase
 - No raises for non-benefit employees
- Major Investments across campus for FY20 due to:
 - Energy Savings efforts led to a decreased utilities budget
 - Tuition: 4% increase + one-time 4.4% adjustment for new tuition model (banding 12-18 credits for all modes of delivery)
 - Legislature funded 96% "hold-harmless" funding formula floor and salary increases
 - Significant salary savings and "breakage" due to retirements, vacant positions, etc.
 - Conservative approach the past two years has led to financial reserves to fund high-priority, one-time needs; Projection of deficit bottom line will require use of reserves
