

EMPOWERING GENERATIONS

**MINOT
STATE
UNIVERSITY**

“We are incredibly grateful for your generosity and trust in MSU. None of the great news outlined in this Report is possible without your support and kindness!”

MESSAGE FROM PRESIDENT STEVEN SHIRLEY

The past year has truly been unlike any other. The COVID-19 pandemic has undoubtedly impacted our society in so many ways, and that impact has certainly been felt at Minot State University as well. Despite the many disruptions and continuing challenges caused by the virus, one constant has been the ongoing efforts to succeed by our students, faculty, and staff. You will learn about a number of important milestones and initiatives throughout this President's Report. We are incredibly grateful for your generosity and trust in MSU. None of the great news outlined in this Report is possible without your support and kindness!

2019-20 has created remarkable change across the MSU landscape and set the stage for more changes ahead: in November we announced a \$1 million gift from Roger and Ann Looyenga to establish new academic programs in Leadership; we held a ribbon-cutting last fall to unveil the \$2.2 million renovation of the MSU Dome; we are in the midst of a \$1.5 million fundraising effort to renovate the MSU Summer Theatre Amphitheater, including a recent generous challenge matching gift of \$500,000 for this project from the Minot Area Community Foundation; we added several new academic programs at both the undergraduate and graduate levels in important fields creating new opportunities for current and future students; and a Student Emergency Fund campaign supported our students in responding to the initial financial impacts from COVID-19. Indeed, in so many ways a year unlike any other, but MSU responded, adapted, and thrived thanks to your generosity.

For the fifth consecutive fiscal year, over \$3 million was raised through your kindness. In fact, \$3.8 million was raised this past year, representing a 16% increase over last year. Notable within this year's giving was an all-time record to our Annual Excellence Appeal in excess of \$540,000, a 36% increase over last year's previous record. We also added 24 new endowed scholarships, meaning there are now 371 endowments providing important financial support to our students pursuing their academic dreams. You can review all of the fundraising highlights on pages 4-5 of this Report. A final important note, you will see the MSU Development Foundation's asset base is now approaching \$38 million, a 224% increase during the past decade. None of these incredible successes are possible without your dedication, support, and belief in Minot State, our mission, and our students. THANK YOU!

Looking a bit further ahead, we are now in the early planning stages for the 2021 Legislative Session — that Session will help determine our financial picture for the 2021-23 biennium that begins July 1, 2021. Without a doubt, we will have some challenges ahead. Uncertainty related to the ongoing COVID-19 response, coupled with North Dakota's financial challenges due to instability in the energy and agricultural markets, means your support of MSU is as important now as ever. There are certainly some challenges ahead, but I am even more mindful and optimistic of the many opportunities and possibilities existing for MSU and our students thanks to each of you and your support.

Finally, I would be remiss not mentioning the loss of two MSU giants during the past year. Last fall, longtime supporter and Foundation Board chair Maynard Sandberg passed away, and this spring long-time AD, coach, and supporter Wes Luther died. Both men are in the MSU Athletic Hall of Fame and both were recipients of the Golden Award, the highest honor bestowed by MSU's Alumni Association. These two men bled the MSU red and green their entire adult lives, and I join many of you in missing their friendship and seeing them on campus. Rest in peace Maynard and Wes.

Thank you for your continued support of Minot State University and our students, and thanks for taking the time to peruse this President's Report.

Thank you and as always, GO BEAVERS!

STUDENT EMERGENCY FUND

2020 GIVING DAY TRANSITIONS TO STUDENT EMERGENCY FUND CAMPAIGN

170 alumni and friends supported **MSU's STUDENT EMERGENCY FUND** contributing over \$35,000 — a testament to the generosity and compassion of the MSU family. Those dollars, matched by the MSU Development Foundation and generous donors — Mary Quandt '76, Robert '60 and Jo Ann Skabo, Minot State Staff Senate, and MSU Development Foundation — distributed over \$85,000 in emergency funding for students during the COVID-19 pandemic.

“When I started the Student Emergency Fund in 2017, my hope was to help one person be successful. I definitely knew there was a need at that time, but I would never have imagined just how impactful this fund could be when Minot State students were faced with obstacles resulting from the COVID-19

pandemic. Because of you and your generous donations to the Student Emergency Fund, collectively, we were able to show the students we cared about them and their education at a time when they needed it most. No matter the size of the gift, you made a difference. Thank you from the bottom of my heart.”

Summers gives from the heart

Terry Summers '81 calls himself an "unconscious competent."

When enrolling at Minot State, he didn't have a future profession in mind but, after several decades in the financial services sector, specifically in retirement planning, his business administration degree has been put to good use.

"I had no idea what I was going to do for a living," he said. "If I knew in 1976 what my career path would look like, I would have pursued the same degree."

After 15 years in the industry, he formed his own corporation in 2002, Summers Retirement Strategies, and spent much of his time traveling to see clients.

It was a personal flight home to Minot on Dec. 23, 2010, however, that changed his life.

"I was thunderstruck," Summers said. "If people don't believe in love at first sight, I've got a story for you, because I had been around for a while, and I had never felt whatever that feeling was when my eyes met hers."

A glance across the airplane, an introduction that never happened because "the beverage cart played defense," and another sighting near the baggage carousel all led to missed opportunities.

Then he met a friend at 10 North Main for his birthday on Dec. 28.

"We both had a glass of wine in our hands, doing cheers, and over his left shoulder, I saw the fetching woman again, sitting with her parents in a booth," he said. "And I looked at Brad (Brad Johnson, '80) and I said, excuse me, I have to meet this woman. I got a second chance."

In 2013, Summers and Lynne (Almquist) married.

"I was 55 years old before I married, my wife was 44. When we married, that ended 99 years of single living," he said. "On the wedding RSVP card, one portion said, good things come to those who wait."

While not as romantic, it was also chance that brought Summers to Minot State. Although he received baseball recruiting letters from five different Division I and Division II universities, recent Title IX changes within the NCAA meant the 1976 Minot High School graduate wasn't offered any scholarships.

"Meanwhile, Minot State, which was NAIA (National Association of Intercollegiate Athletics), paid for everything," he said. "The decision was born out of economics. I would be remiss if I didn't express my gratitude to coach Ken Becker for that scholarship."

During his tenure, Summers played pitcher and third base and received several awards, including 1980 All-District 12 and 1980 All-Conference Golden Glove.

"Back in my day, District 12 was all the NAIA schools in South Dakota, North Dakota, and Montana," he said. "The All-District 12 baseball team had one right-handed pitcher and one left-handed pitcher. I was the right-handed pitcher."

Today, Summers gives back to Minot State in recognition of the opportunities the University gave him on and off the field.

He had already been giving to the Beaver Boosters and baseball program when he learned about the North Dakota Higher Education Challenge Grant Fund match. That prompted him to establish the Terry and Lynne Summers Scholarship Endowment which awards scholarships to baseball players enrolled in the Minot State University College of Business.

"And it was also partly born out of my relationship with

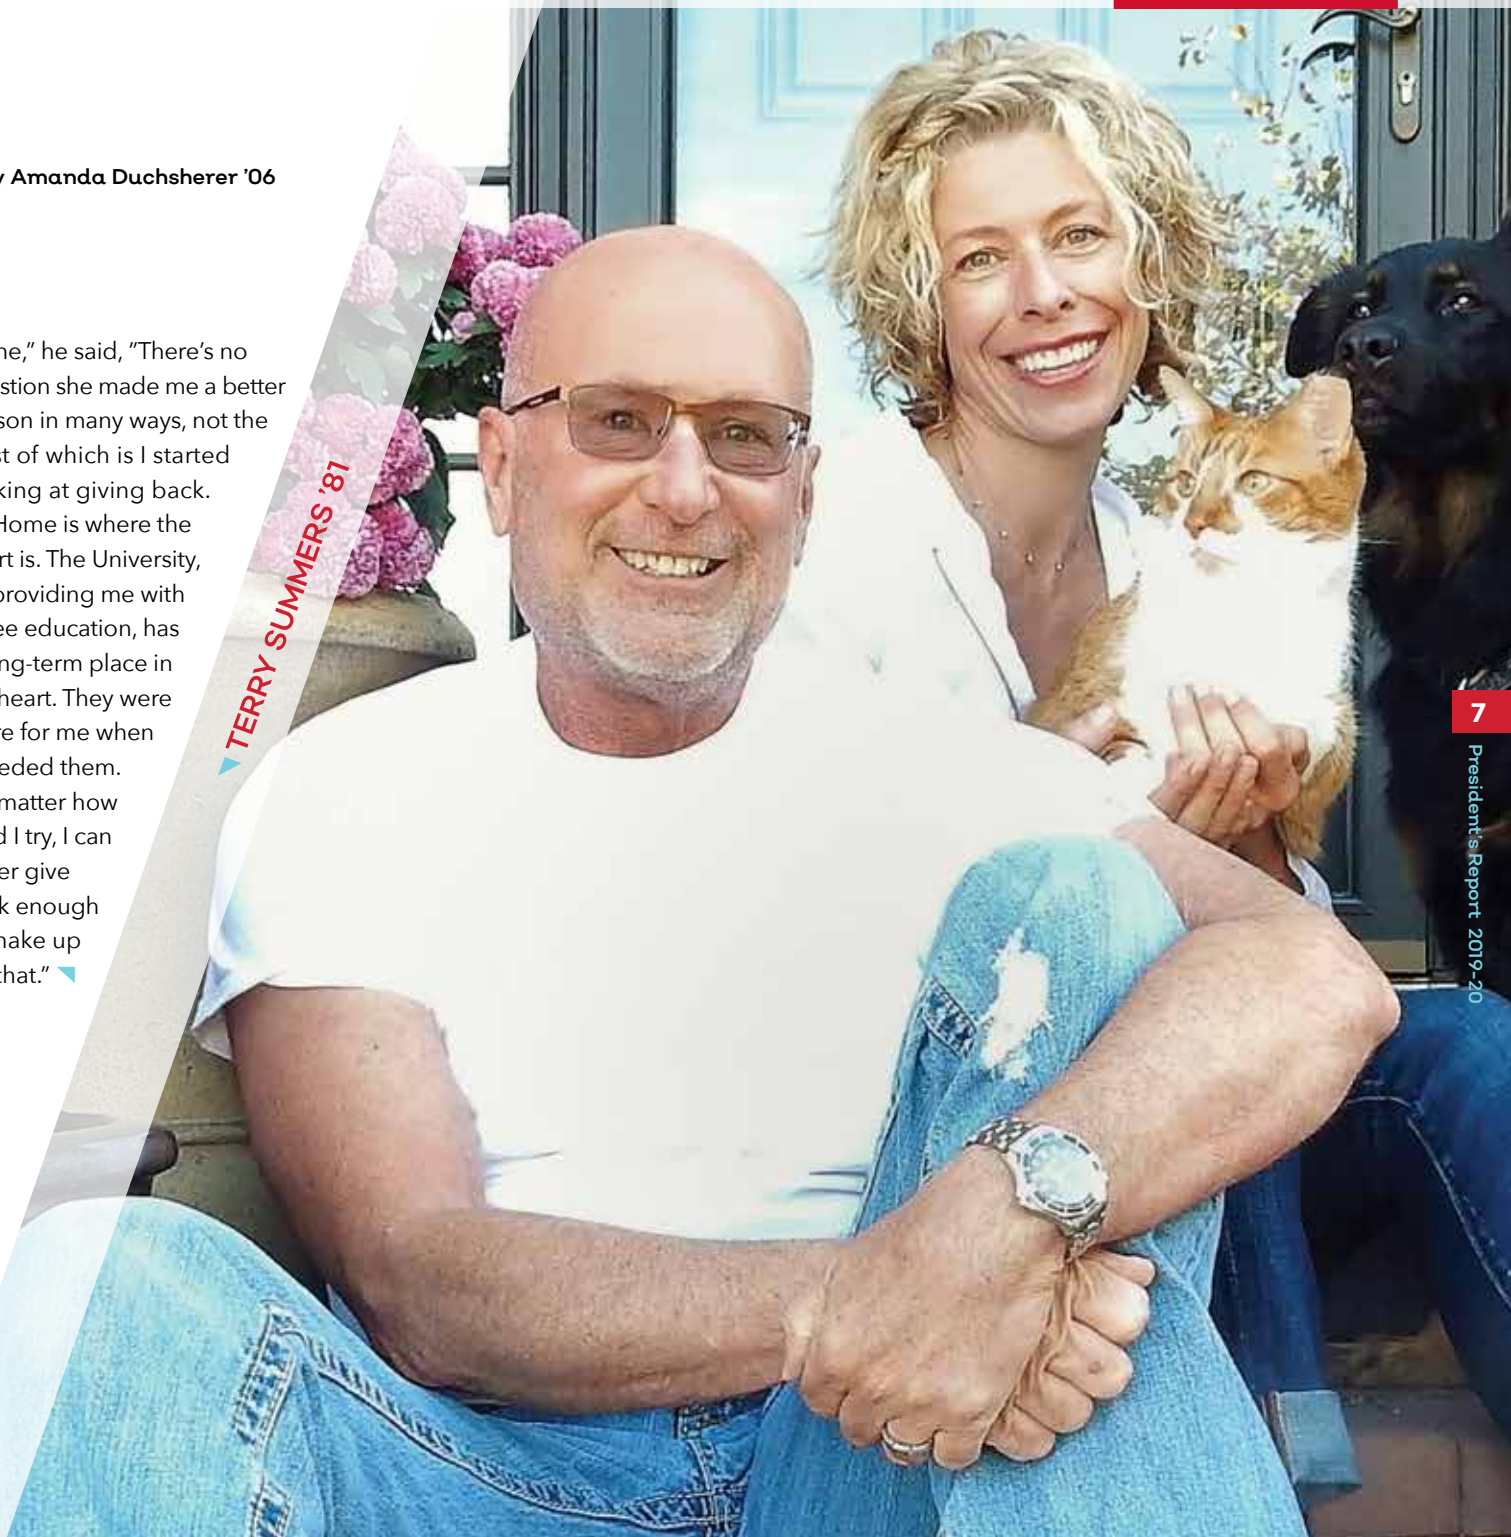

by Amanda Duchsherer '06

Lynne," he said, "There's no question she made me a better person in many ways, not the least of which is I started looking at giving back.

"Home is where the heart is. The University, by providing me with a free education, has a long-term place in my heart. They were there for me when I needed them. No matter how hard I try, I can never give back enough to make up for that." ▾

McIntyre gives back to Minot State

by Dan Fagan '18

Reflecting on his undergraduate years at Minot State, Jim McIntyre '73 remembers playing pick-up football with friends on Sunday afternoons before retreating to a dorm room in Pioneer Hall where he and his fellow classmates would scarf down hamburgers and watch the Vikings play on a small color-screen television. He also recalls hitting the books the night before a big exam in one of his business classes, or diligently pounding out a story for the Red & Green student newspaper just in time for the deadline.

And most importantly, he remembers his greatest memory of all — meeting his future wife, Peggy (Friedenbach).

After graduating from Minot State in 1973, McIntyre took an accounting position with Northern States Power in Wisconsin where he worked his way up to the executive level. During this time, McIntyre never forgot his roots at Minot State.

"In my career, I have come in contact with many people from far more prestigious universities, but I have never felt that my education at Minot State was second rate because it taught me how to learn," McIntyre said.

McIntyre served on the Minot State Development Foundation Board and in 1991 received the

Alumni Association's highest honor, the Golden Award.

Wanting to help future generations with their college journey, McIntyre started the E. James McIntyre Scholarship Endowment in 2001.

"Minot State University has provided great educational opportunities for generations of students," McIntyre said. "It provides many avenues of academic pursuit while affording young people the opportunity to experience diversity while learning about themselves. As they leave Minot State they

leave as better people, better prepared to create better lives for themselves and their family while beneficially touching the lives of many others."

In 2011, McIntyre became CEO of Otter Tail Corporation where he served until his retirement in 2015.

With an accomplished career in the books, McIntyre was selected to give the commencement address at his alma mater in 2019.

"Some of what we learn in any university becomes somewhat less valuable over time as new concepts, approaches, and even new ideas are introduced," McIntyre said. "The instructors and professors at Minot State, both then and now, do an excellent job in teaching students how to learn. In so doing, what is learned at Minot State creates a capacity for life-long learning." ▾

Establishing a Scholarship

The first step in establishing a scholarship is to determine whether you would like to establish an endowed scholarship or an annual scholarship:

ENDOWED SCHOLARSHIPS

Endowed scholarship funds are designed to be permanent and perpetual and can be created with gifts totaling a minimum amount of \$10,000 contributed in full at the outset or with an initial commitment that is added to over time until the endowment level of \$10,000 is reached. The principal of the fund is invested to produce income, and an annual award is made to a student(s). The principal remains untouched, so the endowment can last into perpetuity.

ANNUAL SCHOLARSHIPS

Annual scholarships can be established with an outright gift of any amount. Unlike an endowed scholarship, an annual scholarship is not a permanent fund and is awarded only as long as you (or others) choose to contribute to the fund.

As a scholarship donor, you choose the name of the scholarship as well as the criteria. The Development Foundation staff is available to help you create the criteria for your scholarship. Endowed and annual scholarships at Minot State are awarded to deserving students based upon area of interest, geographical origin, leadership potential, merit, financial need, academic achievement, or other criteria.

Typically, a selection committee carefully reviews the scholarship applications submitted by students and selects the most deserving recipient(s) based on the donor-established criteria.

Contributors of a scholarship fund are notified annually when the scholarship recipient(s) has been selected and are informed of the name, as well as the amount of the award. Recipients often write a thank you note to the donor, and in some cases, the recipient(s) and donor are able to meet. ▾

Fundraising for amphitheater begins

The Minot State University Development Foundation began a fundraising campaign to revitalize the MSU Summer Theatre complex. The plan is to both renovate and add to the existing iconic amphitheater on Minot State's North Hill. The project received a \$500,000 gift as a matching challenge from the Minot Area Community Foundation to bolster the campaign.

 Medical Arts Clinic Foundation Scholarship Endowment

Donor Honor Roll

Alumni and friends continue to provide financial assistance through annual donations for Minot State University students and the University. These contributions are vital for a solid future for Minot State. Cash donations, endowments, gifts of property, bequests, annuities, and trusts are vehicles to match the dreams of our donors with the needs of our students. Gifts can be made conveniently at MinotStateU.edu/Give or by contacting the Development Foundation at 701-858-4243 or 800-777-0750 ext. 4243.

2019 – 20 HIGHLIGHT

One-stop shop for support

Minot State University consolidated multiple services under one roof as the University unveiled the new Academic Support Center (ASC) in September in the Gordon B. Olson Library. The combined space offers a one-stop shop location for student tutoring and academic assistance programs.

2019 – 20 HIGHLIGHT

Leadership gift

Roger '68 and Ann Looyenga donated \$1 million, one of the largest gifts in MSU's history, to broaden the University's academic offerings in the area of leadership. The Roger and Ann Looyenga Leadership Center will develop leadership courses at Minot State and will offer a Leadership Certificate and a Leadership Concentration. In 2010, the Looyengas presented an initial gift to establish the Roger Looyenga Leadership College of Business

Endowment to begin a program in business leadership. Subsequent gifts to Minot State by the family have grown the endowment to nearly \$500,000.

President's Club

Since 2008, Minot State University has recognized its most generous annual donors by welcoming them into the President's Club. Membership in the President's Club is open to all donors making annual contributions totaling \$1,000 or more to any area of campus.

Distinguished alumni give back

Minot State University hosted four distinguished alumni on campus at various speaking engagements during Home-

coming 2019. Michael Saba '65 and John Schwan '82 presented as guests for the Alumni Speaker Series, Michael Van Grinsven '86 addressed Minot State students at

a classroom presentation, and Veronica (Cavallo) Pinnick '04, gave multiple presentations as the

University honored her as the newest member of MSU's Academic Hall of Fame.

NCLEX perfection

The Minot State University Nursing department had a 100% pass rate for the National Council Licensure Examination (NCLEX) on their first try for all December graduates. The NCLEX tests students on how they can use critical thinking skills and knowledge learned in the classroom to make nursing judgments. This is the second consecutive Minot State nursing graduating class with a 100% pass rate.

Top one percent

Minot State University senior Dominica Granada finished in the top 1% nationally in the criminal justice area concentration achievement test, or ACAT. The ACAT is a national exam that assesses student learning in six categories: correction processes, criminal justice systems, criminal law, criminology, juvenile justice, and law enforcement.

New-look Dome opens

The Minot State Dome opened its doors in August to a new look as the University renovated the lower seating section and the second-floor concourse. The project updated all 4,500 seats — in MSU red — with larger chairs, increased aisles, handrails, and an upgrade to the overall structure, allowing for quicker setups and takedowns, and added access from the second-floor concourse adding to the venue's entertainment value. The \$2.2 million renovation was made possible by the City of Minot, four major gifts by First International Bank & Trust, SCHEELS, First Western Bank & Trust, and Ryan Family Dealerships, several mid-level corporate sponsors, and a buy-a-seat program that had over 300 individual donors.

**Record numbers for
MSU DECA**

The Minot State University chapter of DECA finished the North Dakota Collegiate DECA Contest with a record 19 individuals qualified for the International Career Development Conference. Minot State had two individuals, Tyler Sinden and Emily Love, with first place finishes in Comprehensive Exam during the Individual Case Studies events, while Jonathon Vo earned first place in Prepared Events.

Sinden paired with Jameson Hayden and the team of Aurora Polonio and Juan Diego Jaimes both captured first in Team Case Studies.

COVID-19 forces online instruction, multiple changes at Minot State

by Michael Linnell

In early March, Minot State University — along with campuses across the country — began making changes to their academic schedule due to the respiratory illness caused by a new coronavirus named COVID-19. Following Spring Break, the University shifted all instruction to online and finished the Spring 2020 semester and conducted the entire Summer 2020 semester via remote learning.

The University remained open during the remote learning environment but utilized limited staffing and a remote working environment. Multiple departments changed plans and procedures to accommodate remote staffing, and the Minot State faculty worked diligently to adjust a half of a semester worth of instruction into a 100% online environment.

COVID-19 canceled or postponed multiple events in March, April, and May, including all spring athletic events, the Beaver Booster Bert Leidholt Night/Spring Party, study tours in Spain, Morocco, and Costa Rica, the 31st annual Spring Honor Dance and Powwow Celebration, the Minot Symphony Orchestra, the Alumni Association Gala, and most notably, 2020 Spring Commencement.

While Minot State did not host its annual spring graduation, the University honored its graduates with a week-long celebration during finals week of May 11-15 featuring a special website with a Wall of Graduates, video messages from Minot State President Dr. Steven Shirley, faculty, and students, Senior Spotlight stories, and a special message from alumni Josh Duhamel. The University plans to hold a special graduation ceremony in the fall.

In early June, Minot State announced it was following the state of North Dakota's guidelines as per a color-coded health guidance system with five levels of risk (critical, high, moderate, low, and new normal). On May 29, North Dakota Gov. Doug Burgum announced the state had dropped from moderate to low risk level, allowing for much of normal life to resume, with physical distancing measures and limitations on gatherings.

The University opened most buildings and offices to a normal summer work environment on June 10. And, as a sign of things returning to normal, campus tours resumed in late June and multiple Minot State Athletics camps began in early July.

The North Dakota State Board of Higher Education passed a resolution supporting the North Dakota University System campuses in efforts to resume in-person activities for Fall 2020. Minot State continues to monitor the situation with safety in mind as the University returns to a full face-to-face class offering, along with online and HyFlex options. To keep abreast of health and safety measures being implemented on campus, visit MinotStateU.edu/health/covid-19/.

DR. LINDA CRESAP, Professor, Business Information Technology

Due to COVID-19, Minot State shifted all instruction to online for Spring and Summer 2020 semesters.
