Reminder To Raise Flags And Kudos Manually

Even though the opportune time to raise academic flags is early in the semester, during attendance and early alert reporting, there are situations that can occur at any time impacting a student’s academic progress. You are encouraged to continue communicating academic challenges and successes by manually raising flags and kudos throughout the semester.

 RAISE A TRACKING ITEM	
1	Click the three horizontal lines beside Starfish in the upper-left hand corner and select STUDENTS .
2	Click the MY STUDENTS tab across the top of the page.
3	Type the name of the student in the SEARCH box and select the correct CONNECTION and TERM .
4	Click on the student's name.
5	Select the add FLAG or KUDOS icon and select the desired item from the list.
6	Select a course from the COURSE CONTEXT drop-down menu and add comments in the COMMENT box. These comments will show up in the email to the student.
7	Click SAVE .
